

9th Annual Coyote Classic

Date: Saturday, May 8th

Directions:

From State St. (Hwy. 44), take Hwy. 55 north towards McCall for 7.6 miles to Avimor Dr.

Description:

High speed rolling double-track. Tight, technical sagebrush single-track, water crossings, quick steep drops, nasty little granny gear climbs. Single speeders' dream (well if you like to punish yourself with nasty climbs that is).

Beginners: never fear you'll have a great time with a ~5 mile loop that comes back to the start finish area and send you back out

Pre-Registration: www.spondoro.com

All riders with an annual license must present their current license at registration...no exceptions will be given. If you've lost your license please logon to USAcycling.org and print the Print Authorization To Ride *If you do not have an annual license you will be required to purchase a 1-day for \$10.00 so please be prepared. All pro and Cat 1 are required to have an annual license*
